What was your overall impression of this bowl experience?

What areas were best organized and administered?

The Cotton Bowl was an unbelievable experience for everyone involved with Texas A&M Football. It was an experience our players will never forget. The Cotton Bowl Association did an excellent job. Very impressed at the attention to detail and hospitality to all members of the team: players, coaches, staff and families (including children). Very nice and spacious hotel accommodations. Practice and game site is the best (Cowboy Stadium). Every phase of the operation was very organized and attentive to our complicated needs.

What areas need improvement?

Area to improve....the driver pool (group that provides transportation). Drivers didn't know directions to stadium or other locations from hotel and would get lost, causing delays.
