Hotel was great in every area except meal price. The meal prices were outrageous. It would have been helpful to have had a little more information with regards to what individuals were being "comped" at a function so that we didn't include them in the ticket count of our allotment for an event.

VI. Awards.

Level of Satisfaction with Awards:

Very Satisfied	The quality of the awards was appropriate for student-athletes, coaches and staff.
Very Satisfied	The awards purchased by the institution were reasonably priced for the quality of the award(s).
Very Satisfied	There was a sufficient amount of complimentary awards for student-athletes, coaches and staff.

The awards are from a "Gift Suite" where people chose what gifts they want. This is great except this year it is taking to long to get some gifts. We have not yet received all the gifts (2/22/11).
